SERVEFLO

JUNE 18-24, 2017

The week of LifeChangers is a part of ServFlo which continues through the whole week. ServFlo is a week of service to our community where we show the community the visible love of God through different service projects. One project will be a breakfast for the homeless on Sunday, June 25 at 7 am at the Colonial Inn on Irby Street. There will be a church service following breakfast and then hygiene kits will be distributed.

Since LifeChangers is the same week we are going to actively participate in ServFlo by putting together the Hygiene Kits on Thursday night, June 22 after worship. IF you would like to contribute items for the kits you can bring some of the following items with you to LifeChangers. They are asking for personal/travel size (motel size shampoo, soap, etc. is fine) or sizes that will fit in a gallon zip lock zipper bag.

Items Needed:

- One gallon ZIPPER zip lock bags
- Soap
- Toothpaste
- Toothbrush
- Razors – disposable
- Lip balm/chap stick
- Deodorant
- Hand sanitizer
- Wipes (like baby wipes)
- Socks
- Women's feminine products
- Water bottles

Bringing items is TOTALLY voluntary and is up to the individual. Don't feel pressured at all to participate in this way. We just wanted to offer another opportunity to serve.
