

THE SALTSHAKER

“Let me tell you why you are here. You’re here to be salt-seasoning that brings out the God-flavors of this earth. If you lose your saltiness, how will people taste godliness? You’ve lost your usefulness and will end up in the garbage.”

Matthew 5: 13 The Message

LifeChangers 2018

June 17-22

Calvary Baptist Church

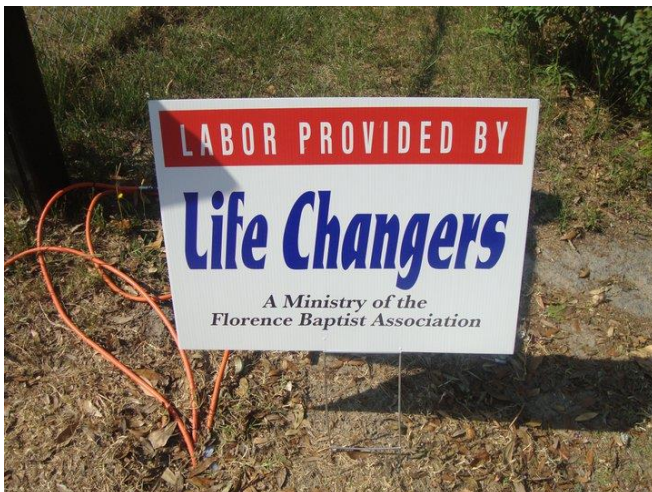

Cost: \$100 per person

Students completing 7th grade - up

This will be our 16th year for LifeChangers. Churches are needed to feed the entire group supper at their church and lunches are needed to be brought to the work sites at 11:30 am each day. If your church/group would like to help in either area, please call the FBA to sign up.

We are also in need of crew chiefs. Some of our regular crew chiefs have health issues that will prevent them from helping this year. A crew chief needs to have basic construction knowledge – replacing rotten wood, windows, painting. The most important qualification is being able to relate well to the students and to show them how to do the work. If you are a perfectionist, then being a crew chief is not for you.

Registration information has been emailed to churches. It can also be found on our website: www.florenceba.org. **Registration forms and deposits are due by April 16!** Questions?? Call Louanne at 843.662.5921

Founded in 2014, The Crayon Initiative is a 501(c)3 non-profit that recycles unwanted crayons into unlimited possibilities. The organization's mission is to preserve the environment and enrich the lives of hospitalized children through art and imagination. The Crayon Initiative has collected 9.5 million crayons reducing environmental waste and donated more than 20,000 new packs of crayons to pediatric patients in 38 hospitals in 17 different states.

Last summer, AC Moore Craft stores served as collection points. They are expected to do the same thing this summer. We will be collecting used crayons at the FBA. They can be broken or just pieces of crayons. Just put them in a box or zip lock bag and bring to the FBA office by June 30. They do not have to be separated by color or have the paper taken off. The Crayon Initiative has volunteers to do that.

For more information and to read some great stories about how the crayons have made a difference in the lives of children, visit their website thecrayoninitiative.com
